of WEST VIRGINIA

Voice of The Civil Defense Bar

41st Annual Meeting

*Turn Ordinary into
Extraordinary!*

Stonewall Resort
Roanoke, WV

June 14 – 16, 2023

On behalf of the Board of Governors of
Defense Trial Counsel of West Virginia,
we cordially invite you to the

41st Annual Meeting

June 14-16, Stonewall Resort

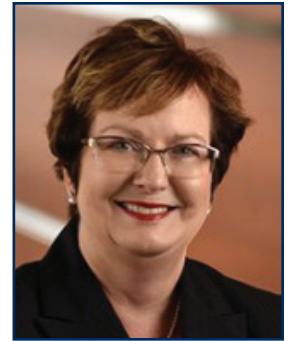

Extraordinary lives and legal careers don't just happen,
it takes commitment, drive and perseverance. Your commitment to your career is exemplified by your membership in the Defense Trial Counsel of West Virginia.

Our annual meeting this year emphasizes how to turn your career from ordinary into extraordinary. Topics to be addressed will assist you in raising the standards and skills you utilize in your practice and will provide you with tools to become a more exceptional lawyer than you already are. Whether you are new to the concept of Nuclear Verdicts, want to learn more about Artificial Intelligence and GeoSocial data, or worry about privilege issues in Joint Defense cases we have something that will pique your interest. Updates from our Supreme Court are always interesting and important! We are thinking outside the box this year and are offering unique experiences: Hear a two-time Olympic Gold medalist speak about diversity issues and meet her in person to gain a new perspective on an important topic, sign up for a taco lunch and boat ride for lunch on Thursday...or golf with other attendees, and Thursday evening enjoy the sounds of Rick K Road Trip!

Now is the time to invest in yourself. No matter what season of your career you may be in, whether you be at the beginning, middle or at the pinnacle of success, there is always room to learn more. We should always aspire to learn new skills, improve on our weaknesses and take time to work on our career and life.

When you invest in lifelong learning, create high expectations of yourself and continue throughout your career to learn everyday-then you will love what you do. We all love the law and are truly blessed to live our lives practicing law and giving back. Isn't it great to get paid for something that you are passionate about and would do for free?

Register now for this unique educational and networking experience.
