The DTCWV Young Lawyers Committee is proud to present a new CLE geared towards our Young Lawyer members and presented by fellow Young Lawyers! This half-day skills-based CLE seminar will feature presentations that associates and young partners can utilize in their day-to-day professional lives as well as effective case and trial theme development practices. Planned by the presenters themselves, the topics are tailored to help provide DTC Young Lawyers with helpful strategies to utilize and continue to develop their skills to be effective lawyers. This event is intended to be a supplement to the Young Lawyers Litigation and Discovery CLE with DTC Young Lawyers providing their own insight into effective utilization of young lawyer skills and case planning.
